## "Hate Crimes"? "Blue Lives Matter"? Seriously???

By Kevin Dunn. Written and posted on May 28, 2017.

I have been procrastinating on writing an article about so called "Hate Crimes" for as long as the "News" media has been promoting such nonsense, but these TV "News" videos gave me the final push.

**What I see in these videos is complete and utter BS.**

"Texas is poised to join Louisiana and Kentucky as the third state to pass a so-called "Blue Lives Matter" law which would **classify violence against police as a hate crime**. More than a dozen other states have similar legislation pending but critics question whether those laws are effective at preventing violence at all. Tony Dokoupil reports."

been ACTIVELY involved in staging FAKE "shootings" and FAKE "terror attacks" around the country. It's absolutely disgusting what the police have been doing and they are going to pay a very VERY steep price for their deceptions. ALL of them.

Revelation 21:8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and **all liars**, **shall have their part in the lake which burneth with fire and brimstone: which is the second death.**

Those police officers are dooming themselves to HELL.

It would take hours and hours to document the FAKE "shootings" that the police have staged. Fortunately, the information can easily be found if a person wants to find it online. A good place to start is by searching for **EVERY event that the TV "news" is promoting**, like the "Dallas ambush shooting" and include the word FAKE or the word HOAX in the search like "**Dallas ambush shooting hoax**". There are many intelligent people out there who have done some amazing work in exposing these fake events.

One of the best investigators of government hoaxes was a man named Dave McGowan. Mr. McGowan has since died, which really did sadden me. He did the very best work that I have seen on the **FAKE "Boston Marathon Bombing"** along with some other VERY good work on other topics, like how some of the very best known 1960s music bands were deeply related to people who were running the military / industrial complex. Go to Dave's home page and look at his body of work. <http://centerforaninformedamerica.com/> The article you want to read about the 1960s is **Inside The LC: The Strange but Mostly True Story of Laurel Canyon and the Birth of the Hippie Generation**

1960s. In other words... CULTURE CREATION was a COVERT attack against the American People BY the "Ruling Elite". It was designed to destroy the existing society so that a NEW society could be created. Think of the expression "REGIME CHANGE" that the satanic USA government is employing around the world as the USA military attacks other nations. Trump just attacked Syria. He is another New World Order puppet, no different than any of the other New World Order puppets who preceded him as "President". The entire world is in turmoil AT THE VERY SAME TIME. That is NOT possible unless it was PLANNED to happen.

When you watch the TV "news", they are constantly telling you about the MANY meetings that are happening around the world involving the world leaders. What we are TOLD about those meetings is **complete and utter BS**. What's REALLY happening is that those world leaders are PLANNING the destruction of EVERY society around the world so that a NEW WORLD ORDER can happen. There can't be a ONE World Government until EVERY nation is destroyed and remade to the very same standards as every other nation.

1. ONE World government
2. ONE World economy
3. ONE World religion
4. ONE World military
5. ONE World police force

That is what EVERYTHING is about.

So here is Dave McGowan's very lengthy and very thorough article concerning the FAKE "Boston Marathon Bombing" You REALLY do want to read it. Don't be intimidated by the length. About 1/2 of the article is filled with very compelling photographic evidence that the

I will also tell you that the "Dallas ambush shooting" was FAKE. The above "news" videos are selling you another lie. That's WHY the "News" media exists.

So moving on.....

This article is about the **complete and utter BS** concerning **ALL** "hate crimes".

The very idea that there is some "special" category of crimes is repugnant.

Please tell me when ANY crime is committed by someone to HELP the victim. Please tell me of a single instance when the victim of any crime is better off for having been a victim. Does a mugger tell someone "Hey pal, I'm stealing your wallet because I care about you"?

The very notion that there is a distinction between a "normal" crime and a "hate" crime is completely discriminatory. **Completely!!!** Here is how.

A man is killed by a robber at ATM machine. He leaves behind a wife with 3 young children to raise on her own.

## Confusing and Conflicting Police Actions

A gay man is killed by someone who hates gay people. He leaves behind a cat.

Both killers are caught and found guilty. The killer of the family man gets 20 years in prison. The killer of the gay man gets 40 years in prison because killing gay people is "HATE" crime.

Both men are dead, but the **complete and utter BS** legal distinction of a "hate crime" puts **MORE value** on the gay man than it does on the family man.

What a crazy world I live in, but I do understand the times and I do understand why things like this are happening. These are the endtimes of the Bible. So let's talk about God's Word, the King James Bible and put things into God's perspective.

Matthew 22:36 **Master, which is the great commandment in the law?**

Matthew 22:37 **Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.**

Matthew 22:38 This is the first and great commandment.

Now what does Jesus say about men?

Matthew 22:39 And the second is like unto it, **Thou shalt love thy neighbour as thyself**

Does that sound like God wants us to put MORE value on certain people because EVIL men in government, who are ACTIVELY destroying every nation including America, tell us that

certain people are "special"?

"Hate crimes" = **complete and utter BS.**

As for the police..... I have made it very clear that EVERY police chief and sheriff is THE enemy of the American People. Read the article [Arizona is "Dog Training" Drivers](#) and the ones after it. Each article shows that we ARE under attack by the police chiefs and sheriffs.

Here is what God says about the police.

Luke 3:14 And the soldiers likewise demanded of him, saying, And what shall we do? And he said unto them, **Do violence to no man, neither accuse any falsely;** and be content with your wages.

Soldiers were the police in days gone by and the King James Bible makes it very clear that the word "violence" is an act of unwarranted aggression toward another person.

I have written several articles about the unwarranted aggression by the police. In fact, I have shown that the police chiefs and sheriffs are now TRAINING officers to be THUGS, which is the very definition of unwarranted aggression.

The New World Order NEEDS aggressive cops (thugs) to complete their takeover of America and because of that, **this complete and utter BS** of **"Blue Lives Matter" laws** is their attempt to keep people from defending themselves from the thugs in police uniforms.

I keep telling people to get a gun.

## GET A GUN!!!

After you get a gun, live in peace if OUR ENEMY, the USA govt and ALL of the state and local governments will allow us to live in peace.

I spent 22 years patrolling the highways of Arizona and many MANY Arizonans have guns in their vehicles and on their persons. Guns don't harm anyone when GOOD people possess them. For the few armed people, who aren't good people, that's when GOOD cops, who have been TRAINED well, shine. The better a cop is with a gun, the more tolerant he/she can be in difficult situations. Most of the time, nobody needs to be shot, even when it looks like it's a strong possibility that it will happen. Shooting UNARMED "suspects" is the last thing that should ever happen.

If any cop is afraid of people with guns, they should find another line of work.

Any cop who thinks that he/she needs to be a brutal thug to get the job done, should find another line of work.

**Do violence to no man, neither accuse any falsely.**

Any cop who is participating in the MANY fake shootings and "terror attacks", **all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.**

Don't go to hell. Repent and believe in Jesus Christ.

The Police ARE Your
