What is REAL and What Is Imaginary

Here is an Example of How Brainwashing Works

By Kevin Dunn. Written and posted on January 15, 2019

I want to show you how Satan's New World Order uses the "News" media to constantly promote their agenda. I'm going to show what a Phoenix Arizona TV "news" station has done with the story about the accidental death of Salt River Tribal Police Officer Clayton Townsend on January 8th, 2019. I will start by showing a "news" paper article.

Salt River officer fatally struck during traffic stop on Loop 101 identified

Have YOU Been Properly Dramatized?

Officer Clayton Townsend was struck along the northbound Pima Freeway portion of the freeway near McDowell Road, **while approaching** a vehicle he had pulled over, **Salt River Police Chief Karl Auerbach** said.

The vehicle that struck Townsend then struck the vehicle he had pulled over, DPS Capt. Jesse Galvez said.

Townsend was pronounced dead at 6:35 p.m. Tuesday, Auerbach said.

Auerbach described Townsend as a "**guardian of the people**" and "hard worker" who leaves behind a wife and month-old child."

So here we have a New World Order police chief telling us that the deceased officer was a "**guardian of the people**". I did not know this officer, BUT it's unfortunate that this New World Order police chief FAILED to properly train him. This officer was walking up to the driver of a vehicle he had just pulled over on the freeway for having an EXPIRED license plate. He was more focused on the driver, because his TRAINING taught him that drivers of the vehicles that stops might hurt him, while he ignored ALL of the traffic that was approaching him from the rear at freeway speeds.

Where have we heard that sort of thing before?

"In recent years across the country we've seen a rise in tension between some communities and the police. Whether it's at traffic stops or on the street encounters with men and women in blue have become violent at times. We're taking a look at why it's important for you and your children to know the law and know **how to comply so you don't die.**"

"At the 3:57 mark, the female reporter tells us **"the MOST important thing for you to know"**. **"NEVER, EVER GET OUT OF YOUR CAR. Once you get out of your car and you approach a police officer, YOU ARE IN TROUBLE"**

Ha ha ha..... Good Grief!!!

At the 04:14 mark, Detroit PD Officer Coleman says **"you can NOT approach an officer on a traffic stop, especially when he has you stopped. You need to stay in the vehicle, COMPLY and wait for the officer to get to the vehicle.** If you step out of the vehicle, you may make the situation very unsafe mainly for yourself and the officer".

The female reporter then says "even if I'm trying to bring my driver's license to you, if I continue to come toward you, what will happen? Will I be arrested, sometimes I might even end up shot".

Detroit PD Officer Coleman says **"that can cost your life.** Officer doesn't know your situation. He didn't ask you to come out of the vehicle. He didn't ask you to come bring anything to him. When you have a traffic stop, you need to

wait patiently in the vehicle. You wait patiently in the vehicle for him to come to you and then he'll give you the
COMMANDS what to do."

Do you see that? The ENTIRE focus in that video is on the DRIVER of the stopped vehicle.

Nevermind that approaching TRAFFIC is MORE likely to KILL the officer.

How about it police officers? Just follow the TRAINING that your New World Order police chief gave you, and everything will be just fine, right? If you get killed by a passing motorist, your New World Order police chief will say in a manner of flowery things about you, and that's what REALLY matters, right? Being called a "**guardian of the people**" makes it all worth while, right?

Now don't get me wrong here. I spent 22 years stopping vehicles for all manner of traffic violations, BUT there is something called "**The Potential Cost vs the Potential Benefit**" that NEEDS to be factored into EVERY stop. If conditions are such that stopping a vehicle is MORE hazardous than NOT stopping the vehicle, GOOD judgment should prevail.

In fact, when I was an Arizona Highway Patrolman, we had written policies that DEMANDED that we NOT chase a fleeing vehicle IF a reasonable officer believed the existing conditions made it TOO dangerous for everyone concerned, especially the public.

Was Officer Clayton Townsend's life worth stopping a vehicle with expired license plates?

No reasonable person would say the COST was worth the potential benefit.

What about the SAFETY of the drivers who are stopped in these hazardous places? Officer Townsend was hit and then the vehicle he stopped was also hit. ALL of that for an EXPIRED license plate.

Hey Voters..... Have
You Figured It Out
Yet?

Nobody was ever harmed because someone was driving a vehicle with expired license plates.

Lions and Tigers and
China, Oh My!

Now I want to show you how Satan's New World Order uses these tragic events to promote their New World Order SOLDIERS and **EVERY cop is a New World Order SOLDIER**, even if they don't know it.

Reasons to Distrust
the Police

The POLICE are civilians, although that distinction is slipping away very quickly. They ARE the "Civilian Security Force" that Obama was talking about. They have COMBAT ASSAULT rifles now. They dress in COMBAT gear now. They drive COMBAT vehicles now. And MOST of them can't figure it out. 90% of GOOD police work is accomplished by THINKING WELL and MOST cops are clueless.

Published on Jan 11, 2019 ** (3 days after Officer Townsend's death)**

The Loop 101 was reopened in Glendale after a deadly overnight crash.

Now I'm going to show you 10 screen shots of an Arizona TV "news" station from January 8th when Officer Town was killed and today (January 15th). You will see that each screen shot has 12 news segments each for a total of 120 "news" segments. Of those 120 segments, 25 of them deal with Officer Townsend directly or he is mentioned in a segment or there is something written on the video screen about him.

The person who died on the same freeway 3 days later is never mentioned by name and that fatal accident is only mentioned ONCE in a VERY short message about traffic conditions.

THINK about that. ALL government is OUR EMPLOYEES.

Officer Townsend, a "**guardian of the people**" according to his New World Order police chief, gets a HERO's plaque in the "news", but one of **HIS EMPLOYERS, an UNNAMED citizen**, gets NO recognition from SATAN's New World Order TV "news" media.

THAT'S just how important WE ALL ARE, in the eyes of Satan's New World Order.

Meanwhile, Satan's New World Order SOLDIERS are promoted non-stop. 25 segments vs 1 segment.

THAT IS HOW SATAN'S NEW WORLD ORDER BRAINWASHES EVERYONE.

[Trump is America's BUTLER, just like Mr. Carson is Downton Abbey's butler.](#)

Trump is NO more than that, and YET the New World Order "news" media is talking about him constantly. People flock to see America's BUTLER when he visits their city. Do those same people flock to see the grounds keeper of the local golf course or the head maintenance man of the local museum?

BRAINWASHING WORKS.

People are TOLD that someone like Trump is ABOVE them and they believe it, when the TRUTH is that Trump is AMERICA'S BUTLER and he is EMPLOYED BY ALL OF US. Trump is a DISGRACE to America, as is the ENTIRE USA Government.

Anyway, here are those screen shots.
