

Satanism, idolatry, and severe abominations.

THE CONTINUAL SACRIFICE—ROME'S GREATEST HERESY

"Thyatira" comes from two words meaning "sacrifice" and "continual". This introduces the central heresy that has produced other false doctrines. That is, the church of Rome denies the finished work of the Messiah, but instead believes in a continuing sacrifice which produces such things as sacraments and praying for the dead, burning candles, etc. All heresy falls into one of two basic categories: a false concept of the personal deity of the Messiah or mixing works with faith. The church of Rome can scarcely be accused of teaching a false concept of the personal deity of the Messiah; however, their emphasis on the "continual sacrifice" and rejection of our Lord's finished work breeds a concept that causes man to go astray.

The Satanic Upside-down Cross

The Bent Cross Crucifix versus the Traditional Crucifix

Please notice the Crucifix that Pope John Paul II is holding up to the people, at left. Study it closely, and you will realize that it is not a Traditional Crucifix, as we show below. Rather, this Crucifix is known as a "Bent Cross". But, what does that mean? For the answer to that question, let us turn to a Roman Catholic author, Piers Compton, writing in his book, "The Broken Cross: Hidden Hand In the Vatican", Channel Islands, Neville Spearman, 1981.

This Bent Crucifix is "... a sinister symbol, used by Satanists in the sixth century, that had been revived at the time of Vatican Two. This was a bent or broken cross, on which was displayed a repulsive and distorted figure of the Messiah, which the black magicians and sorcerers of the Middle Ages had made use of to represent the Biblical term 'Mark of the Beast'. Yet, not only Paul VI, but his successors, the two John-Pauls, carried that object and held it up to be revered by crowds, who had not the slightest idea that it stood for False Messiah." (p. 72) On page 56 Compton prints a picture of the current Pope, John Paul II, holding this bent or broken cross, just as we have shown, at left.

Therefore, Pope John Paul II is telling all the occultists the world over that he is not a Traditional Pope, but a Pope that is committed to carrying out the role of World Religious Leader as called for in the New World Order Plan. Another Roman Catholic author, Malachi Martin, makes this same claim - that Pope John Paul II is committed to the New World Order Plan in his book, ["The Keys To This Blood"](#).

Since a picture is worth a thousand words, we have printed the Traditional Crucifix, to the right. As you can see, the cross here is not bent in any way, top or bottom. Further, the picture of Yahusha the Messiah is a full figure without any kind of distortion or disfiguration! The

Traditional Roman Catholic Crucifix is very, very different from the "Bent Cross", above.

We Protestants have always objected to the Traditional Crucifix, because it holds Yahusha the Messiah up to continual shame, which is forbidden in Hebrews 6:6. Indeed, this is the basis upon which we Protestants object to the entire Mass, but that is the subject of another article.

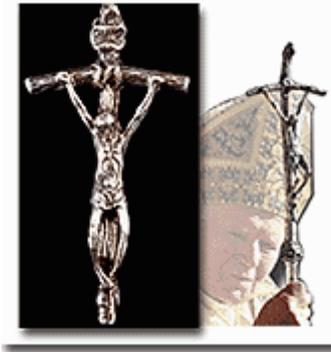

As you can see, the Crucifix which Pope John Paul II is holding up to adoring crowds is not the Traditional Crucifix, but is the Satanic Bent, or Broken, Cross! This Bent Crucifix was created by Satanists to depict anti Messiah and his Mark of the Beast! Very soon, you will see the appearance of a global leader, calling himself The the Messiah, who will claim to be Yahusha the Messiah returned, the Jewish Messiah, and the Avatar figure for which all the major religions are awaiting, all in one man. This will be anti Messiah. Then, very quickly thereafter, a global religious leader will step forward to aid the anti Messiah; this religious leader will possess the same miraculous power of anti Messiah. At this moment, the prophecy of Revelation 13:11-14 will be fulfilled; this global religious leader will be the Biblical False Prophet.

The New World Order Plan calls for this global religious leader [False Prophet] to be the Roman Catholic Pope, and certainly, John Paul II's use of this Satanic Bent Cross is consistent with this part of the Plan. But, if it is Pope John Paul II who steps forth to aid The the Messiah [anti Messiah], you will know the truth about this Pope and his entire Roman Catholic Church.

You have been forewarned. A picture is worth a thousand words, and this Bent Cross picture labels Pope John Paul II.
