## The "Dog Training" of Drivers Continues. It's COVERT Warfare

By Kevin Dunn. Written and Posted on November 17, 2017.

I just finished watching another video where the Detroit Police Dept and the local New World Order propaganda machine, better known as the TV "news" media, have teamed up to "Dog Train" drivers about how to behave when being stopped by the police.

It happened in Phoenix, AZ. (6th largest US city)

It happened in Los Angeles, CA. (2nd largest US city)

Now it's happened in Detroit, MI. (21st largest US city)

Where else is it happening?

"In recent years across the country we've seen a rise in tension between some communities and the police. Whether traffic stops or on the street encounters with men and women in blue have become violent at times. We're taking a look at why it's important for you and your children to know the law and know **how to comply so you don't die.**"

**This MUST be a New World Order controlled PSYOP program.** Three major TV "News" stations, in three major US cities, are promoting the same message that drivers are required to behave in a certain way or face the consequences at the hands of **INTENTIONALLY POORLY TRAINED THUGS**, who happen to be wearing police uniforms. This is NO accident. This is **COVERT WARFARE** by the New World Order. The police DON'T serve the American People. They SERVE AND PROTECT the New World Order.

### Psychological Operations (United States)

[https://en.wikipedia.org/wiki/Psychological\\_Operations\\_\(United\\_States\)](https://en.wikipedia.org/wiki/Psychological_Operations_(United_States))

"Psychological operations (PSYOP) are **planned operations** to convey selected information and indicators to audiences **to influence their emotions, motives, and objective reasoning**, and ultimately the behavior of governments, organizations, groups, and **individuals.**

I'm going to change this "to U.S. objectives" to this "**New World Order objectives**".

In other words..... BRAINWASHING the American People and the POLICE is happening everywhere I look. I am not kidding about that. I see CONSPIRACIES all around me and I write articles about just a VERY few of them. If I wrote an article about every conspiracy that I see, I would never stop writing. I see MANY FAKE shootings, that get a great deal of "News" media attention, that I don't write about. I see MANY deceptive "news" segments that I don't write about. A good "rule of thumb" is this. If the TV "News" is constantly promoting something, it's very likely a LIE. Have you seen them constantly promoting any "shootings" recently? I have and I don't believe their stories.

As I have repeatedly shown in my articles, The USA government is the **2nd beast of Revelation 13** and it is creating a ONE World Military and a ONE World Police Force right now WITH China and Russia. The USA government is THE FORCE that will dominate the ENTIRE world for the coming anti-christ and EVERY leader of EVERY country is a willing CO-CONSPIRATOR in this ONE World Government that is almost here.

The creator of that video doesn't seem to know that **USA President FDR, Churchill, Hitler, Stalin, Mao were CO-CONSPIRATORS who were working together** as they deceived the world and MURDERED millions of people to further this ONE World Government agenda during World War II and the FAKE "cold war". YES..... the "cold war" was FAKE. I have shown you these things in other articles.

Today we have North Korea PRETENDING to be a threat to the world. It's ALL FAKE. It's ALL contrived so that a ONE World Government can be created while the USA government TERRORIZES the American People and the world.

Do you understand that?

The USA government IS the **2nd beast of Revelation 13**.

Revelation 13:11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

Revelation 13:12 And **he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast**, whose deadly wound was healed.

The USA government "causeth the earth and them which dwell therein to worship the first beast".

**"Causeth" = FORCE**, ladies and gentlemen. FORCE!!! The **2nd beast** will FORCE the ENTIRE world to worship the **first beast (Vatican)** and THE anti-christ (the **DEAD Pope John Paul II**). I explain this in the article **[Desperation is in the Air. Can You Feel It?](http://www.kissyourillusionsgoodbye.com/articles-33/desperation-is-in-the-air-can-you-feel-it-10595)**

I apologize for taking the scenic route, but EVERYTHING that I see happening in the world is connected. I want to make sure that you understand that these events are NOT isolated events. They are NOT isolated. They are ALL part of the plan and the EXTREMELY BRAINWASHED COPS can't figure it out. Their REAL job is to protect the American People, but instead they are DESTROYING America. Their DIRTBAG police chiefs and sheriffs have INTENTIONALLY TRAINED them to be THUGS for this very purpose.

So let's go back to the video with the Detroit police.

"**Comply don't die**" is displayed across the bottom of the screen of this "news" segment. That very title makes me extremely angry. We are being BOLDLY COMMANDED by that title to OBEY. **OBEY the New World Order's SOLDIERS**, who are masquerading in police uniforms, while FORGETTING that the police ARE sworn Peace Officers. It was the New World Order who started calling Peace Officers "Law **EnFORCE**ment Officers"

Think about that. When you give people a title, they tend to believe it.

When you call people **PEACE Officers**, they are more likely to be peaceful. When you call people Law **EnFORCE**ment Officers, should we be surprised that they use FORCE in situations where PEACE would better accomplish the job?

This is COVERT warfare against the American People by the **DIRTBAG** police chiefs and sheriffs who are INTENTIONALLY creating hostility and violence in America. Train people to be THUGS in police uniforms and they will act like THUGS in police uniforms.

**This TV "News" segment is a PSYOP.** It's ALL about TRAINING us to submit to the THUGS instead of having WELL TRAINED PEACE OFFICERS who SERVE the community.

Here is an Example of  
How Brainwashing  
Works

The Anatomy of a BAD  
Police Shooting in  
Tempe, Arizona

At the 0:26 mark, we have the female reporter telling us that according to the **Fraternal Order of Police**, there are 2 "VERY dangerous situations" for a police officer to be in.

1. To answer a domestic violence complaint
2. A traffic stop

She says "They're cautious. They're on HIGH alert. And so are you" as she points a finger at the camera for dramatic effect.

Then we are shown a video of 2 cops dragging a man from his car and pummelling him with fists as one of the cops had his arm around the man's neck. That cop ends up going to JAIL for his brutality, so why are we being shown that event? Are we being warned that there are CRAZY / VIOLENT cops who will attack us if we don't behave in a manner that pleases the officer? "**Comply don't die**"? Are we being shown that event as a threat?

At the 1:48 mark, we have a 33 year Detroit PD veteran detective telling us "every officer, when he approaches a car, he or she is nervous". The female reporter tells us that this detective is going to schools and churches and community groups "to teach the do's and don'ts on how to interact with police".

I'll translate that for you. This detective is greatly exaggerating when he says "every officer, when he approaches a car, he or she is nervous". I spent 22 years stopping vehicles by myself, day and night, sometimes in populated areas and sometimes 50 miles away from the nearest police officer and rarely would I feel "nervous". There is a BIG difference between being ever mindful of the potential conflict with drivers / occupants and being

## The Police ARE Your Enemy. Do You Understand Yet?

\*\*\*\*

### Articles from External sites

"nervous". There have been times when I felt fear, but that is part of the job of being a police officer. If a person can't perform well while feeling fear, should that person even be a police officer? NO!!! Absolutely not!!! But the SCUM police chiefs and sheriffs are INTENTIONALLY hiring UNQUALIFIED people to be cops and THEY are shooting UNARMED "suspects" because they CAN'T handle their fear.

The police detective is spreading the New World Order message far and wide so everyone gets exactly the same message on how to submit to their EMPLOYEES in police uniforms. It's VERY important to the New World Order that EVERY American submit and OBEY. I showed you this before in the article [Hey Voters..... Have You Figured It Out Yet?](http://www.kissyourillusionsgoodbye.com/articles-33/hey-voters-have-you-figured-it-out-yet-9318)  
<http://www.kissyourillusionsgoodbye.com/articles-33/hey-voters-have-you-figured-it-out-yet-9318>

"Let's go back to a very old video where President Bush Sr. is promoting the New World Order to America. You have all seen this video, but how many of you understood what you were being told?

Bush says "**the rule of law, NOT the law of the jungle**". I'll translate that for you.

He is saying "You are dumber than any creature in the forest that knows it's enemies. ANY creature will either kill it's enemy or it will flee from it's enemy. But YOU? You are going to obey the LAWS of the very people who intend to destroy you with those laws".

Bush said it nicely and most people didn't understand it.

<https://www.youtube.com/watch?v=Rc7i0wCFf8g>

or

<http://www.kissyourillusionsgoodbyevidenceroom.com/videos-page-1-9/George-Bush-New-World-Ordermp4-107965>

Let's continue with the Detroit PD detective. The female reporter asks "how do we prevent our children from being killed"? The detective says:

1. "number 1, be respectful, be cooperative"
2. "keep your hands visible. You know putting your hands up never hurts"

OK, remember the question? How do we prevent our children from being killed? I don't disagree that it is always a good idea to be respectful with everyone, not just the police. But the question was about being killed by an officer. Only an INSANE officer would kill someone because they were disrespectful. Does the detective think that there are INSANE people wearing police uniforms? **There are INSANE people wearing police uniforms. Many of them are police chiefs and sheriffs.**

Read the article Arizona is "[Dog Training Drivers](#)". I clearly show you how EVERY police chief and sheriff LIED to EVERY police officer about the OK City bombing. 168 men, women, and children were MURDERED that day BY the USA government, and NONE of the police chiefs or sheriffs told the police officers or the American People the truth about that event.

I showed you in the article [Huntington Beach Police Chief Defends Murder of Suspect](#)

that the INSANE police chiefs and sheriffs and FBI agents STAGED the FAKE Boston Marathon Bombing. They ALL lied to us. They are supposed to protect US, their EMPLOYERS, but instead they CREATE FAKE "shootings" and "terror attacks".

Yes, there ARE insane people wearing police uniforms

But let's focus on the Detroit PD detective's comment "keep your hands visible. You know putting your hands up never hurts".

There is some serious truth in that comment, BUT whose job is it to keep an officer safe? Should 100% of the population be "dog trained" to behave a certain way, just because 5% of the population poses a threat to the police?

If a person went out of their way to "put up their hands" after I stopped them, I immediately considered that I was dealing with a person who had at least one BAD encounter with the police. Clearly I would not know what that encounter entailed as I was approaching the driver, but showing me his hands, without my asking him to do it, heightened my concern that there might be a problem with this person.

My point is this. The INSANE police chiefs and sheriffs are NOW hiring people who have NO business being cops in the first place and then training them to be THUGS. Those same INSANE police chiefs and sheriffs are ALSO pushing this "DOG TRAINING" on the public.

OBEY the THUGS in police uniforms or be MURDERED by them. **"Comply don't die"**.

The TV "News" has the job of selling this brainwashing to the viewing audience.

Continuing with the Detroit PD detective. At the 2:25, he starts talking about "the law".

Good grief.

33 years as a detective and this guy is still clueless or he is a liar.

I have written about "the law" frequently. I showed you some of it already in this article with Bush talking about "**the RULE of law**". [Read Hey Voters..... Have You Figured It Out Yet?](#) I show you that ALL "laws" are FAKE. NONE of them are real.

What's REAL is the FORCE that is used against us by ALL local / state / federal governments. FAKE "laws". REAL FORCE.

What do you think all of this "Dog Training" is about?  
It's about FORCING you to "**Comply don't die**".

Maybe it will help you to see a clip from some mainstream TV show before you understand the absolute BS that we are ALL being fed constantly, every single day?

### **BS = Brainwashing Stuff**

This TV show is in it's 6th season. For 6 years, people have been watching brainwashing garbage. How many of them THINK about what they are being told and shown? From season 1, episode 4.

**Arrow 1.04- Part 13 (An Innocent Man 'Court of Law' aired October 31, 2012)**

<https://www.youtube.com/watch?v=Osc6A5HFN0>

or

<http://www.kissyourillusionsgoodbyevidenceroom.com/-9/arrow-104--part-13mp4-108571>

At the 1:14 mark, the judge says "**our's ISN'T a court of JUSTICE, it's a court of LAW**"

Did you get that?

But wait a minute.

"I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and **justice for all.**"

When will people REALLY understand what is happening?

ALL governments have ONLY 2 tools in their toolbox.

1. Deception
2. FORCE

Their deceptions are wearing thin. MANY of you are starting to understand what is really happening. Therefore, they are NOW threatening ALL of us with force. This "**Comply don't die**" propaganda TV "News" piece is ALL THREAT.

At the 2:53 mark, we are shown "3 scenarios that could get you in trouble during a traffic stop", which makes me laugh because the list is much longer.

1. Mouthing off
2. Don't reach for anything WITHOUT "permission"
3. Never get combative with an officer
4. Loud music
5. Open alcohol
6. Smell of drugs

Where have I heard that stuff before? I heard it in the Phoenix, AZ TV "News" report.

From the article [Arizona is "Dog Training" Drivers.](#)

Here is their checklist.

1. Turn on your inside lights at night so the officer will feel safe.
2. Roll down both windows (never mind that it's below freezing in the winter or over 100 degrees in the summer) so that the officer will feel safe.
3. Keep both hands on the steering wheel so the officer will feel safe.
4. Don't reach into the glove box so the officer will feel safe.
5. Turn down your radio so the officer will feel safe.
6. Don't make sudden movements, even if you just spilled a steaming hot cup of coffee on

your lap, because the officer needs to feel safe. Maybe the officer will give you a band-aid for your burned flesh after he/she feels safe.

Isn't that amazing? The same NONSENSE in the Phoenix TV "news" story is in the Detroit TV "News" story. It's the SAME BRAINWASHING. That's WHY the TV "News" exists, everywhere. They are in the business of SELLING the New World Order agenda, while disguised as "news".

TV "News" = complete and utter garbage.

TV "News" = EDITED script = LIES.

At the 3:57 mark, the female reporter tells us "the MOST important thing for you to know". "NEVER, EVER GET OUT OF YOUR CAR. Once you get out of your car and you approach a police officer, YOU ARE IN TROUBLE".

Ha ha ha..... Good Grief!!!

At the 04:14 mark, Detroit PD Officer Coleman says "**you can NOT approach an officer on a traffic stop**, especially when he has you stopped. You need to stay in the vehicle, COMPLY and wait for the officer to get to the vehicle. If you step out of the vehicle, you may make the situation very unsafe mainly for yourself and the officer".

The female reporter then says "even if I'm trying to bring my driver's license to you, if I

continue to come toward you, what will happen? Will I be arrested, **sometimes I might even end up shot**".

**Detroit PD Officer Coleman says "that can cost your life.** Officer doesn't know your situation. He didn't ask you to come out of the vehicle. He didn't ask you to come bring anything to him. When you have a traffic stop, you need to wait patiently in the vehicle. You wait patiently in the vehicle for him to come to you and then he'll give you the **COMMANDS** what to do.

Brainwashing is amazing, isn't it?

What did we learn in that last 1 1/2 minutes?

YOU are the slave. YOU are NOT the BOSS. YOU are NOT the EMPLOYER.  
YOU are being instructed on how to SUBMIT to the New World Order SOLDIERS who are wearing police uniforms to deceive you.

I was an Arizona Highway Patrolman from January 1977 to December 1998.

The police were better qualified and better trained in my day. Think about that. Things should be better now. When I first started, I had no portable radio or cell phone or computer or taser or dash camera or firearm that held more than 6 rounds and was quick to reload and STILL the cops back then did a FAR BETTER job than they do today.

90% of GOOD police work is accomplished by THINKING WELL.

Today's cops are dumbed down and they can't think or they won't think. FORCE is all they know. FORCE "solves" every problem. Send as many cops as possible to a situation that used to be successfully / peacefully handled by 2 or 3 cops.

I do NOT trust ANY of the police and I have shown you why in many articles.

How did Hitler (an INSANE man) turn intelligent people into Nazis?

The same way that INSANE police chiefs and sheriffs are turning POTENTIALLY good police recruits into THUGS wearing police uniforms. They really are New World Order SOLDIERS.

Look around you. EXTREMELY brainwashed cops dressed in COMBAT gear and carrying military ASSAULT rifles and driving military COMBAT vehicles are everywhere in America now and NOTHING GOOD has been accomplished. They have DONE NOTHING to make society better. That can ONLY happen if the INSANE police chiefs and sheriffs INTENDED things to be worse. I have nothing but contempt for EVERY police chief and sheriff and my opinion of the street cops is nearing that same level of contempt.

The police are HIDING behind the VERY thin shield of respectability, which THEY, THEMSELVES, DID NOT EARN. Today's police are riding the coattails of the GOOD men and women who wore the badge long ago. They are getting UNEARNED praise by the New World Order controllers. It's FAKE advertising intended to deceive the masses.

The police are NOT the same today as they were before the OK City Bombing. Things started changing while I was still a cop, but I didn't understand what was happening because I was still BRAINWASHED by a lifetime of deceptions from government and FALSE

preachers and the LYING "news" media and constant brainwashing in movies and TV shows.

I didn't start to understand the REAL world until after the USA govt attacked America on September 11, 2001. I was already retired.

The police are NOT the same today. They have been INTENTIONALLY RUINED, just like when your favorite food was RUINED because the manufacturer changed the ingredients. Changed ingredients in your favorite food is the same as changed ingredients in the police. Your favorite food was changed intentionally and so were the police.

I don't blame anyone for being brainwashed, but I have been writing articles for 6 years now, warning people about what is happening, and to my knowledge, today's cops can't or won't do anything but DESTROY America. Are ANY of them warning people about what is REALLY happening? I don't know of any. Are ANY of the cops standing up to their DIRTBAG police chiefs and sheriffs?

This "**Comply don't die**" video REALLY made me angry.

"**Comply don't die**" is a threat to all of us.

I don't like being threatened.

I own guns to protect myself FROM the police.

The police ARE my enemy. Sad, but true.

Still, I understand the times and I will obey God.

From [Desperation is in the Air. Can You Feel It?](#)

Romans 12:18 **If it be possible, as much as lieth in you, live peaceably with all men.**

The day is coming when it will NOT be possible, but I won't start what's coming. I'm just prepared to deal with it when it comes.

I keep telling people to get a gun. Time is running out.

Get a gun and then live in peace, if OUR ENEMY (ALL governments) will allow it.

I'll end this with 2 video clips.

The swindlers in this clip represents ALL LYING governments and their master's (Satan's) New World Order. This ministry is the "little boy" that is exposing "the naked king".
