## Alex Jones Talks about "Spirituality" by Kevin Dunn

Written and posted on March 08, 2012

Yesterday, I wrote an article inspired by Ron Paul's biggest promoter, aka **Alex Jones**, aka **The Drama Queen**. That article is titled "[Queen for a Day, Drama Queen That Is](#)", but it just didn't feel right to leave so many other issues unaddressed from his March 05 radio show. Alex Jones has really revealed to us who he is and I want to make sure that the readers don't miss it.

One of the MAJOR things that I did not write about in yesterday's article is the detestable New Age garbage that he spewed while calling it "spirituality". Now there is a deceptive word for you, "Spirituality". He frequently uses the phrase "Now let me be clear", but not this time. **NOoooo**.. he was clever with his word choices in the audio clip that I am going to share with you. He was telling us exactly who he is and exactly what he **REALLY** believes while hiding in plain sight. Did you watch the youtube clips I shared in the article "[A Hoax called "Thrive"](#)" about how the number 666 is hidden in plain sight all around us? If you did, then you will understand that Alex Jones did the same sort of thing with his spoken words. I suspect that there were some King James Bible believing Christians who heard those words

and immediately understood what I'm about to share with you.

Alex Jones has repeatedly claimed "on air" to his radio audience that he is a Christian.

Nothing required him to say that to any of us and yet he has said it many times. Therefore, it's not unreasonable for us to think that he has a very good reason to go out of his way to make sure that we all know that he claims to be Christian. People who have read my previous articles know that I have come to the conclusion that he is not a Christian. I said that I will not believe that he is a Christian until such time as he quotes exact verses from the King James Bible while speaking about things that are Biblical in nature. Since I said that, Alex Jones did an interview with the creators of a video called "Thrive" which is completely New Age (satanic) and he praised the video. No Christian with any King James Bible understanding would praise that video, but Alex Jones sure did. So that is proof right there that he is either NOT a Christian or that he is an extremely weak minded Christian who understands virtually nothing about the King James Bible.

[Here is the audio clip that this article is addressing](#)

Talk about **RED FLAGS**, those comments by Alex Jones were **HUGE**. Here are a few of his comments from that clip:

1. "I'm not scared at all. I'm ready for whatever comes in this. I'm ready because I know that this is my destiny. **This is what I'm here for**. This life is short and I want to live it to the **fullest for humanity**. I want to be a good person. **I want to follow my own heart**."

And here is God's Word

Jeremiah 17:9 **The heart [is] deceitful above all [things], and desperately wicked: who can know it?**

So what is Alex Jones telling us? He is telling us that he is here to accomplish what he is now in the process of doing with his radio show and his claimed 10 million listeners. My previous articles have clearly shown that he is here to deceive his audience and lead them down the wrong path and away from Jesus Christ. He is saying **"this is my destiny. This is what I'm here for"** while he refuses to share the King James Bible as it applies to the very subject matter that he is ranting about at any given time. This is proof that he is not a Christian.

**If this is his destiny and this is what he is here for, then he is saying that he is already accomplishing his chosen goals and those goals do not include teaching his audience about Jesus Christ and the King James Bible. Alex Jones is ONLY claiming to be a Christian to camouflage his true goals while he is fighting the INFOWAR.**

He is most certainly fighting an info war, but it is not for the side of Jesus Christ. The King James Bible tells us that Satan disguises himself and so will his followers. Alex Jones is defying God and disguising himself so that he can better deceive his listeners.

2Co 11:14 **And no marvel; for Satan himself is transformed into an angel of light.**

2Co 11:15 **Therefore [it is] no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works**

Alex Jones also says that he wants to follow his own heart, but God says "**The heart [is] deceitful above all [things], and desperately wicked**". So we have another admission by

Alex Jones that he does not care about what God says. Alex Jones is talking like the devil in his defiance of God's Word while speaking about what he calls "spirituality", which is always a good sign that it's not about Christianity. I don't ever recall using the word "spirituality" when I'm talking about Christianity with anyone. I don't care about "spirituality", I care about Jesus Christ and the King James Bible. "Spirituality" can mean many things to many people, but Christianity is about Jesus Christ alone. Even members of the Church of Satan have "spirituality".

Since Alex Jones says that he wants to follow his own heart, it is reasonable to believe that everything that he is currently doing and saying is exactly what his "heart" is telling him to do. That includes claiming to be a Christian while never using the King James Bible with his listeners, even when he spoke about "spirituality" in the clip that you just heard . Jesus Christ and the King James Bible were completely ignored as he lectured us on his satanic view of New Age "spirituality". Where did he come up with all of those ideas? Did he just make them up himself? If he did make them up himself, then isn't he making himself "god"?

Alex Jones is clearly following his heart in an unrestrained display of demonic behaviour that includes ranting and raving like a madman several times during an average 3 hour show. He does this day after day after day and he has been doing it for years. I wonder how he justifies that bad behaviour as he goes through his routine every day. He said that he wants

to be a good person, so is he being a "good" or a "bad" person when he is screaming and calling whole groups of people various names? If he thinks that is good, then why doesn't he scream for the full 3 hours while calling all of us names? If he thinks it's "bad", then why is he doing it at all? It seems that we can't trust Alex Jones' heart, even when it comes to the simple task of telling us what is happening in the world. I don't recall any TV "News" person ever behaving this badly, EVER!!! but for Alex Jones, it's a daily routine.

No, I don't trust his heart at all. I agree with God when he said that the heart is deceitful and desperately wicked. God knows what He is talking about.

2. Alex Jones goes on to instruct us about "spiritual laws" while never mentioning the King James Bible or Jesus Christ. How does a person who claims to be a Christian not talk about Jesus Christ or the King James Bible as he is speaking about "spirituality"? Once again, this is **proof that he is only pretending to be a Christian who is just acting his part on the world stage**. He is NO different than some Hollywood actor who has been hired to play a part on a movie screen. Alex Jones has been hired by the New World Order to play this part.

Did he sell his soul to Satan for a few moments of earthly pleasure? Does he not know this verse or is he so deceived as to not care?

Matthew 16:26 **For what is a man profited, if he shall gain the whole world, and lose his own soul?** or what shall a man give in exchange for his soul?

3. Even though I know who the REAL Alex Jones is, this was still incredible to me. What in the world is this madman saying when he talks about "The Parable of Vampire" while lecturing us about "spirituality"? Seriously?!!! Vampires????

What more can I say about that? Can anyone be more lost than Alex Jones when it comes to Christianity? Why are we listening to him again? Somebody??? Anybody???

Here is what the "spirituality" that Alex Jones was talking about really means

Ephesians 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against **spiritual wickedness** in high [places].

Alex Jones was talking about the "spirituality" that he knows best and that he has embraced.

He was talking about Satan when he was saying "spirituality".

There are ONLY two choices here:

1. Jesus Christ. Christianity is ONLY about Jesus Christ.
2. Satan. Anything that is not Christianity.

Matthew

Mat 7:13 Enter ye in at the strait gate: for wide [is] the gate, and broad [is] the way, that leadeth to destruction, and many there be which go in thereat:

Mat 7:14 Because strait [is] the gate, and narrow [is] the way, which leadeth unto life, and few there be that find it.

Mat 7:15 Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.

Mat 7:16 Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?

Those verses are simple and clear. Christianity is the straight and narrow way. Everything else is the broad way that leads to destruction. And Alex Jones with his "spirituality" lecture is the "false prophet in sheeps clothing" who is leading people to hell. These concepts are not difficult to grasp.

4. Alex Jones said "And by the way, giving yourself over to God is not becoming a slave.

That's what happens when you serve the devil, Satan. It's more than that. You just surrender to the fact that it's already there and then that's where the great peace comes from."

Excuse me, but what did Alex Jones just say? Can anybody explain this to me because I have no idea what he just said. What do we surrender to? It? What is it? Is he calling God an "IT"? This deep thinker, who can quote facts and dates from numerous sources around the globe from years ago simply by memory alone, is calling God an "IT"? **Are you kidding me!!!**

I've heard more knowledgeable comments from first graders on the subject of God. Alex Jones, the great intellect, has the nerve to call the police morons and call the "yuppies" morons, but he can't explain Who God IS any better than a first grader? Does any thinking reader need any more proof than that comment to know that Alex Jones is NO Christian?

**Is it not clear to every reader by now that Alex Jones is only a pretender who does not want to help us, but only wants to hurt us? If you still want to trust him after he has told us that he is aligned with Satan, I can only wonder why.**

Read these verses CAREFULLY

2nd Thessalonians

2Th 2:3 **Let no man deceive you by any means:** for [that day shall not come], except there come a **falling away first**, and that man of sin be revealed, the son of perdition;

2Th 2:4 **Who opposeth and exalteth himself above all that is called God**, or that is worshipped; **so that he as God sitteth in the temple of God, shewing himself that he is**

## God.

I told readers who the antichrist is and when he will be arriving in my article "What is REAL and What is Imaginary". The antichrist is the son of perdition and now we have Alex Jones indirectly confirming that the antichrist will be arriving soon. Alex Jones felt comfortable enough to tell us that **huge fairy tale** about "spirituality" even though it's very clear that he has no idea what he is talking about. He disrespects the intelligence of his audience so much that he told us those lies almost as well as Satan told Eve that she could eat that forbidden fruit. He is spreading the disinfo like that "spirituality" nonsense to help lead astray the weak minded people who fall for it.

Of course he must know that some listeners are never going to listen to him again after that nonsense, but he has a claimed 10 million daily listeners and most of them are clueless about what I just told you. **Alex Jones is a part of the "falling away"** that those last verses talk about before the **antichrist arrives**. The antichrist just loves it when people believe the

HUMANITY stuff that Alex Jones just dished out because it's not Christianity, which makes it satanic.

Just know this; Alex Jones and the other deceivers have a day of reckoning and it's coming soon.

Revelation 21:8 But the fearful, and unbelieving, and the abominable, and murderers, and

whoremongers, and sorcerers, and idolaters, and **all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.**

As I have said before, if I wrote about every objectionable thing that Alex Jones says in just ONE of his radio shows, it would be an overwhelming task to write and to read. But know this, just because I am not writing about the numerous deceptions of Alex Jones at any given time, that does not mean that Alex Jones doesn't deserve to be written about. He is a living nightmare of deception.

**As always, trust God and trust the King James Bible.**
