What is REAL and What Is Imaginary

Banned Again for "No Reason was Specified" by Kevin Dunn

Written and Posted on November 02. 2012

Once again, it appears that I have been too effective in sharing the truth with the readers in a forum that has banned me twice before. This makes me smile and laugh. All it does is show the forum readers that the forum does not want people to share the truth.

Being banned from forums is nothing new to me. I know that most forums are either owned by the government or they are heavily influenced by the government. I speak out about the satanic USA government frequently because I know that we are living in the very endtimes of the Bible at this moment. I know that the USA government is the 2nd beast of Revelation 13. The USA government will be the power that enforces the One World Government for the antichrist. I have shared this information in greater detail in my article "[What is REAL and What is Imaginary](#)".

The puzzling thing with this particular ban is that the reason given was "**No Reason was Specified**". Why has the forum chosen to make the reason for banning me a secret? If I have violated some "rule", why has the forum chosen to keep this information from me? If a

person doesn't know what ruffled the feathers of the people who are pulling the forum strings, then how is a person to avoid another event from happening in the future? If I have not violated some rule, then what can they say? It certainly appears that I was banned for no other reason than to silence me, but that doesn't work. Each time I get banned by some forum, I just write articles.

I do know that forums are closely monitored by the ruling power structure in this country and they have hired an army of mostly ignorant and unskilled people to dominate the forums and control what information can be shared with other readers. The problem with having an army of ignorant people working for you is that some of us really enjoy tap dancing with them while also sharing the truth with the predominately silent readers. Most people choose to only read the forums. I suspect that is because the army of ignorant government disinformation agents make it less than pleasant for most readers to share their thoughts. What the agents lack in skills and knowledge, they make up for by being antagonistic. Unfortunately for them..... I like playing that game.

Since the forum has chosen to keep their reason for banning me a secret, I am forced to guess what may have caused them to become "upset" with me. Mind you, I have been posting MANY things that the power structure running this country does not like. **The power structure is a den of vipers and they do their traitorous acts in secret** while feeding the public nothing but a steady stream of lies and fabrications through the CONTROLLED "news" media. TV "News" does not exist to tell us the truth. It exists to propagandize us.

Here is some proof that **the "news" media are just sock puppets** for the New World Order. They are only handsome and pretty actors who can read a teleprompter skillfully. They will parrot to the viewing public whatever appears on that screen. Truth has nothing to do with their function.

What part of those comments do you think got me banned? I don't know because I have been saying those things on a regular basis. The ignorant government disinformation agents are working in every forum that I have ever joined. They try to fight my comments, but they lack skill and knowledge. More importantly.....who can defeat the **Truth of Jesus Christ and the King James Bible?** Those government agents are out of their league. The only way that they can deal with someone who keeps on speaking the truth is to ban them.

There was another recent event in that forum that **absolutely rocked the very foundations** of some of the government disinformation agents who are very active in the forum. I identified one of the forum's major government disinformation agents as being a person who is using several different screen names, which is a violation of the forum rules. He pretends to be multiple people in the forum so that he can deceive the unknowing readers. This tactic is **NOT** just limited to him, but I have remained quiet about it. I enjoy playing mind games with them just as much as they like playing mind games with unsuspecting readers. It's a game that those agents simply can not win. I have God's Truth, the King James Bible, and they have only their lies and their wits, **neither** of which are serving them well.

This particular government disinformation agent has been a member of the forum since November, 2010. Assuming he joined on the 1st day of November, that is 732 days ago. In that time, his stats show that he thanked 115,029 comments posted by other people while most of us have only thanked a few hundred or a couple thousand. This means that if he never took a day off, never took a vacation, never was sick, and only came to work on the forum every day, **he averaged thanking 157 comments per day, EVERY day, as of today.** This person is most definitely a government disinformation agent and he has a job to do. That job is to deceive as many other readers as he possibly can and to sway their thoughts. The whole job is about deception, but the whole USA government is about deception too.

Now keep in mind, those stats are for ONLY ONE screen name that he is using. He is using several screen names.

Here is proof that it is happening all over the internet and the USA government is deeply involved. If you are making "friends" online in any forums, you need to read this article

Are My "Friends" even real people?

http://www.bibliotecapleyades.net/sociopolitica/sociopol_internetfacebook08.htm

Ok then..... from here on out, what I'm going to now is this..... I'll just post some of the information that I have been sharing in the forum. This information is going to be shared in a rather haphazard sort of way. All I want to do now is share some things that I think are important for you to know.

1. The entire country is nothing but corporations

Go here: <http://www.manta.com/> and search for any government entity that you wish.

Here is the information for the **Arizona Highway Patrol** office that I worked out of for 22 years. <http://www.manta.com/c/mmcw8s8/arizona-public-safety-dept>

Do you see the name for Manager and Principal? That's my friend who happens to be the district commander for that office.

Also notice that the **Arizona Highway Patrol** is listed as a **private** company and that it is incorporated. Why didn't I know that when I was an officer working there? Do you think that

the top brass in the department deceived me and the rest of my fellow officers? Do you think that they are still deceiving the current officers along with the public now? How far up the chain of command does a person need to rise before they know the truth?

Do you remember my comment about the satanic USA government? That comment applies to ***ALL*** governments. Most people working in government are ignorant about this like I was ignorant about it, but the top levels of ***ALL*** governments **are part** of the deception.

You will find that the "**government**" is nothing more than **corporations** pretending to be government. There is ***NO*** government no matter what you search. It's all a lie. There are only corporations that are following a business model.

http://www.youtube.com/results?search_query=ralph+epperson%2C+long&lclk=long

Here is a quick rule of thumb when the government tells us anything.....

The government always try to give a "reasonable" or plausible explanation for any action that they take, but then there is always the REAL reason that is hidden from us.

If anybody still trusts the government at this point, that person does not understand the times.

Anybody who is still serving the government at this point, you are in serious jeopardy.

In the hierarchy of evil on this planet, the USA is 3rd from the top with Satan being number 1 and the Vatican (1st beast of Revelation 13) and antichrist Pope John Paul II being number 2.

1. Satan
2. Vatican / antichrist Pope John Paul II
3. USA government (enforces the New World Order for the antichrist)

If anyone is still serving this satanic government in any capacity, it is quite likely that things are not going to go well for you in the near future.

Revelation 18:4 And I heard another voice from heaven, saying, **Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.**

2. Electro Magnetic Pulse Technology

Look beyond the propaganda spin of this TV "News" story and recognize the deeper and more sinister aspect of the technology that is being trumpeted here. This is just another confirmation that the government will use this technology to shutdown entire highways / freeways by disabling the lead vehicles with these EMP tools when martial law is being enforced.

The "news" report says that it may be 5 years before this technology will be "readily available" although a prototype may be ready by the end of the year. This video was uploaded to youtube on **Jun 17, 2009**. I have no doubt that this tool is already in the hands of many people around the country.

Electro Magnetic Pulse and buried cables under major roadways.

We all know that when traffic signals are installed at busy intersections, they also install

sensors in the roadway. Sometimes a light is slow to change and so we roll our car a little bit to trip the sensor.

What most people don't know is that there is a high probability that some of the major intersections in a town or city have also been wired for electro magnetic pulse attacks on vehicles.

Remember the **Total Information Awareness** created by **DARPA**?

http://en.wikipedia.org/wiki/Information_Awareness_Office

Do you remember the concept of "Total War"?

http://en.wikipedia.org/wiki/Total_war

Total means **TOTAL** and that includes **YOU**.

So with that in mind, picture a large metro city like L.A.

Trying to control all of L.A. all at once would be like trying to eat an elephant all at one time. BUT..... if the New World Order has divided the city into quadrants and sectors, they can immobilize ONE sector at a time by activating the electro magnetic pulse cables at the major intersections that border that sector, completely blocking the major roadways with disabled vehicles. Nobody comes out and nobody goes into that sector by means of auto.

Meanwhile, the rest of L.A. keeps on ticking, sort of. The New World Order can also shut down the major highways / freeways surrounding the entire city, thus creating a captive but still largely uncontrolled population within the city limits.

Have you started to see the need for owning a gun yet?

But I draw your attention to page 2.

http://commdocs.house.gov/committees/security/has197010.000/has197010_1.HTM

Search that page for the word **housing** and begin reading. The 1st few paragraphs should be enough for you to realize that EMP cables buried under the roadways is a very likely probability. Don't stop reading until you read the portion about cars.

Some you are actually paying to have this sort of diabolical "mad scientist" technology installed in your vehicles.

How many people are paying OnStar to listen to them without knowing it?

How many people are paying OnStar to track their every move and maintaining records on those movements?

How many people are paying OnStar to deny them access to the use of their vehicle if the government orders it?

How many people are paying OnStar to kill their vehicle's engine while driving if the government wants to arrest them?

Look beyond the propaganda of the article and videos. What you are seeing is your enslavement wrapped up in a "reasonable" presentation. After all, these people really care about you.

However, wise readers will realize that this system will be used against anyone that the government claims to be a "terrorist". Do you believe in freedom? You are a terrorist. 4. World Domination by the USA

Here is the current situation. The "peaceful" USA government is pushing for a war with Iran.

Map: US bases encircle Iran

<http://www.aljazeera.com/indepth/interactive/2012/04/2012417131242767298.html>

The "peaceful" USA government, the only one to ever use nuclear weapons against an enemy, is ready to destroy another country because the USA **claims** that Iran is producing nuclear weapons.

Stop and ponder that. The USA is ready to take the world to war because it **claims** that Iran is making nuclear weapons.

Food for thought: Japan tried to surrender before the USA dropped nuclear bombs on it.

And to make things even more interesting, the USA President who **murdered** those 100s of thousands of innocent Japanese civilians after Japan had tried to surrender was 33 degree Freemason Harry S Truman.

Here is a very interesting article about the **murderous President Truman**.

United States Presidents and The Illuminati / Masonic Power Structure

The evidence is all around us. The USA government is the 2nd beast of Revelation 13 and it is nearly ready to dominate the entire world for the antichrist, including you and me. You are not safe from the satanic occupying power that claims to be the USA government and claims authority over you.

Everything is screaming out to you that we are living in the very endtimes of the Bible.

The article mentions that USA drones have killed a claimed 112 militants while also killing a

reported 57 innocent civilians as the USA hunted down someone who is said to have killed 74 soccer fans.

Let's do the math. The USA admits to killing 57 innocent people while hunting down a person who reportedly killed 74 innocent people. So far, the USA has killed almost an equal number. But more importantly, what is this constant undeclared war doing to the population? Imagine having to live every day with the constant fear that the USA military will kill you, intentionally or not. And let's not forget, 33 degree Freemason Harry S Truman murdered 100s of thousands of innocent people, so does the satanic USA government really care about killing a few hundred or a few thousand innocent people?

Here is another story linked in the previous story. In this story, the USA saves 2 humanitarian aid workers. 2???? The USA has been fighting a secret war in the area for 2-3 years, and we are to believe that all of this is to save a few humanitarian aid workers?

<http://www.wired.com/dangerroom/2012/01/battleground-africa/>

This is the USA military engaged in the complete domination of the world and a wise reader will pay attention, because these articles are describing exactly what is coming to the USA in the near future.

Do you remember recent military training taking place in USA cities? Here is one such article.

We have all heard the saying "What goes around, comes around". Well, it's already starting to come around.

5. The Hegelian Dialectic of the New World Order

We all know that the satanic USA government is pushing HARD for a war with Iran, but who understands why?

Here is just a piece of the puzzle.

First, listen carefully to this video of President Bush Sr promoting the New World Order.

George Bush Sr. New World Order Live Speech Sept 11 1991

http://www.youtube.com/watch?v=byxeOG_pZ1o

or

<http://www.kissyourillusionsgoodbyevidenceroom.com/videos-page-1-9/George-Bush-Sr-New-World-Order-Speech-Sept-11-1991-107880>

Now read this article that has Iran's President Ahmadinejad calling for a New World Order.

Iran's Ahmadinejad pushes new world order

<http://www.washingtontimes.com/news/2012/sep/26/ahmadinejad-pushes-new-world->

[order/print/](#)

Here is the Hegelian Dialectic:

Thesis - USA gov't calling Iran "evil" (promotes the New World Order)

Antithesis - Iran gov't calling USA a "bully" (calling for a New World Order)

Synthesis - the USA and Iran go to war and both sides eventually come to terms and create a New World Order.

Think of it like this..... you have a glass of milk and you have some chocolate powder. When the 2 things are combined, neither of them is the same. They combine and become something different from their original form.

Thesis - milk

Antithesis - chocolate powder

Synthesis - chocolate milk

The New World Order is controlling both the USA government and the Iranian government. There is NO disagreement at the top levels. The top levels are ONLY ACTING their parts while working very hard to fool the world.

These men are NOT enemies. They belong to the SAME street gang, and they are flashing the same "gang hand signs".

OK..... this has gotten pretty long already. I have much more information to share, but it won't be in this article.

I don't ask anyone to take my word for anything that I write. I provide information, usually with supporting materials, but it is up to each person to do their own research to verify what I have shared.

As always, trust God and trust the King James Bible.
