What is REAL and
What Is Imaginary

"Brainwashing and Conformity 101" by Kevin Dunn

Do you consider yourself to be a person with strong convictions?

Do you believe that you will stand up for the truth as you understand it, even if everyone around you disagrees with you?

This is going to be a very short article because the videos really tell most of the story.

Before you watch these videos, I would like you to consider why every mainstream "news" organization is telling you the same stories every day in the "newspaper" and every night on the national TV "news". Do an experiment for a few nights as you watch the TV "news" and start flipping the channels between the various "news" programs and see if they are not all telling you the same stories each night. There will be some fluff pieces that will be different on each channel, but the main stories will be the same.

It's one thing to have a major world event taking place, like the moon landing (the moon

landing was a hoax, but it was great television). A person would expect that every station would report major events, but what about the days when there is no "big story"? Why do they keep reporting the same stuff? It's a very big world out there with many things happening on any given day, but all of the "news" media is stuck on the same tracks, going in the same direction just like a railroad..... JUST like a railroad.

Conan O'Brien shows us just how scripted the "news" really is.

That clip tells us a great deal about how the mainstream "news" media is nothing more than a major propaganda instrument used by the New World Order to influence and direct our thoughts and our actions. That clip about gas is no big deal, but if you start flipping channels, you will find that same sort of thing happening with MAJOR events.

OK..... here are the clips that I want you to watch.

I have been banned several times on various forums for posting information that exposes the lies that we are all told every day in the "news". Without exception, there have been Pentagon "cyber warriors" (trolls) in every forum who will attack both the information and the person posting the information in an attempt to shut people down. They are trying to enforce group conformity, just like those videos demonstrate.

The New World Order is working non-stop to alter our perceptions of reality, and for the people who have never considered that the moon landing was a hoax, I offer you the following information to consider.

There is a good reason why the New World Order has been having Hollywood pumping out movies and TV shows about "aliens" for the past 50 years. It's part of the amazing deception that is coming soon. If you can understand the deceptive moon landing hoax now, you will be better prepared to understand the MANY deceptions that are coming. Here are 2 videos to show you that the New World Order is making preparations to deceive the whole world. This is just the tip of the iceberg.

God has warned us. The deceptions that are coming will be so awesome, people will be having heart attacks due to fear. Now is the time to seek and understand the truth.
