What is REAL and
What Is Imaginary

"Ron Paul is Not the Answer" by Kevin Dunn

Written and posted on January 14, 2012

I have been inspired to write this article because of the constant promotion that I hear about Ron Paul and how he is our only chance of getting this country back. Well I have some very bad news..... America is gone and it is never coming back. I know it and the biggest promoter of Ron Paul KNOWS IT.

Here is an exact quote from Ron Paul's biggest promoter:

"most people I talk to have American flags all over their cars. It's like why do you got to stick it everywhere? Cause you know deep down, it's gone. It's gone like the year 1957 and it ain't comin back. America is gone."

I am in full agreement with that statement, which was made on January 11, 2012.

America is gone. I know it to be true, just like some of the people on the Titanic knew that the ship was gone after hitting the iceberg. The people who knew that the ship was gone did

It's time for people to realize that America is gone, even though it has not yet sunk. I explained to readers that **time is very short** in my article [What is REAL and What is Imaginary](#). I said that **the antichrist** will be arriving very soon. Get your King James Bible out and start reading the verses that I quote and the chapters where those verses can be found. Go to the video section on this website and start watching the videos and learning the truth. Ladies and gentlemen, we are on the Titanic right now and we are going down. Don't waste your precious time and efforts and hopes on a mere mortal. Ron Paul is not the answer, Jesus Christ is the answer.

Do you imagine that the passengers on the Titanic spent any time voting for a new captain to take control over the ship after the current captain clearly failed to protect them from harm? If the passengers did not waste their time on such nonsense, then why are people wasting their time now? Jesus answered this question 2000 years ago

Matthew

Mat 16:2 He answered and said unto them, When it is evening, ye say, [It will be] fair weather: for the sky is red.

Mat 16:3 And in the morning, [It will be] foul weather to day: for the sky is red and lowring.

O [ye] hypocrites, ye can discern the face of the sky; but can ye not [discern] the signs of the times?

Every person reading these words has the opportunity to stop and really think about what is happening right now in this world. This website exists for the sole purpose of warning people of the dangers that we see approaching and that are already starting to manifest in plain view of everyone. We have done our best to warn people of these dangers, but we are only

Ezekiel

Eze 3:17 Son of man, **I have made thee a watchman** unto the house of Israel: therefore hear the word at my mouth, and **give them warning from me.**

Eze 3:18 When I say unto the wicked, Thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked way, to save his life; the same wicked [man] shall die in his iniquity; but his blood will I require at thine hand.

Eze 3:19 Yet if thou warn the wicked, and he turn not from his wickedness, nor from his wicked way, he shall die in his iniquity; but thou hast delivered thy soul.

We are not the great generals in this epic climax of history, we are only a few of the people who have been standing guard duty on the wall as we look for the approach of the enemy. We have been warning anyone who will listen that we see the enemy and he is near. We have posted the best information that we have found, mostly in the form of hundreds of videos that other people created to warn us and educate us. Those videos are available for free download in the Video Section on this website.

Stop being fooled by the people who keep promoting Ron Paul. They are wrong. It's just that simple. People who read the King James Bible and have a working understanding of God's Word are less likely to fall victim to the erroneous information presented to them by other people. That includes me. Don't trust me. Investigate everything that I write and prove these things to yourself. We will all stand alone before God on Judgement Day and it won't make a hill of beans to God that I told you something, which you believed without doing your own investigation.

That Bible verse applies to every piece of information that you find on this website. I have found errors in MANY of the videos that we have posted, but most of the information is accurate based on my understanding of the Bible. Absolutely **everything** that I read, see, or hear gets filtered through my understanding of God's Word. I check everything that even hints at being an error, no matter who is saying it. Nobody gets everything right and I do mean **nobody**.

As always, trust God and trust the King James Bible.
