Separating the Wheat from the Chaff by Kevin Dunn

Written and posted on January 24, 2012

Once again I have been inspired to write an article because of the words spoken by Ron Paul's biggest promoter on January 23, 2012. I am not going to write the full quote here, but you can click on this linked quote to hear the full quote that this article addresses.

"and I'm doing everything I can to get us, as a society, to wake up and repent, and if you're not a Christian, whatever. I'm talking about by repenting, admitting how lazy we've all been and how we've let ourselves put up with corruption and put up with tyranny. And my main job is, as this tyranny comes in, and it's comin in, that enough people were warned about who did it, who was behind it, why they did it, that then people will finally listen and we can do something about this."

Now that's quite a comment. It sounds good on the surface. It sounds "right and patriotic". He goes on to say some other things that are even more dramatic and he is screaming at the end of these comments. You can hear it for yourself.

So here's the deal. Ron Paul's biggest promoter is a gifted person with an amazingly comprehensive knowledge of more facts than just about anyone and he is a professional speaker. He is very good at what he does, but exactly what is it that he is doing?

He claims to be a Christian. Even a person who has never heard him make that claim before, can still deduce it from the short audio of his comments. I am also a Christian, so when I hear another person say that they are a Christian, I pay close attention to what they say while talking about Christianity. This is when a red flag went up for me. He uses the word **REPENT**, which is definitely a word that is prominent in the Christian faith, but then he dismisses the need for a person to be a Christian while still "**repenting**". He then goes on to change the meaning of the word in his comments. Why use a distinctly Christian word and then immediately change its meaning to something that has absolutely nothing to do with Christianity?

It is just this sort of use of a distinctly Christian term that may cause people to think that he is Christian while he is also teaching them subconsciously that the term really has nothing to do with Christianity at all. This is very disturbing behaviour, especially when it is very clear that he has an excellent command of the English language. This is the type of behaviour that we saw in the book "**1984**" when the meanings of words were changed at will to suit the person using them. Why would he do this?

As I said in my article "[What is REAL and What is Imaginary](#)", time is very short and yet Ron Paul's promoter speaks as if we have all sorts of time to work things out. He thinks that people have time to turn this country around if only we can get Ron Paul elected. He thinks that finally, when the tyranny is as clear as the sun at high noon on a cloudless day to absolutely everyone, then people will have time to change things.

Random, But Important Information

Well..... Ron Paul's promoter is wrong. It's about **TIME**, ladies and gentlemen. **TIME** is the limiting factor and we are almost out of it. Read my "What is REAL and What is Imaginary" article and see for yourself just how little time is left. We have all been told that all kinds of things are in the works well into the future. Such and such a thing is going to happen 20 years from now. Other things are going to be accomplished in 50 years from now, etc. We are told what plans are being made for the future by the New World Order. **It's all wrong!**

We are all being set up for a huge fall based on the issue of time. For those of you who know some history, you will remember how France was overwhelmed by Hitler's Blitzkrieg (Lightning War). The French thought they had time, but they were wrong. France fell in 6 weeks to Hitler's Army. <http://en.wikipedia.org/wiki/Blitzkrieg>

You will know just how little time there really is when you read my article with your King James Bible in hand. The reason that things are happening so fast now is because the New World Order is running out of time to implement their plans before the **antichrist** arrives. Most of you reading these words will be alive to see his arrival, unless you come to a sudden and unexpected death caused by the New World Order as they manhandle and kill anybody in their way. They are preparing to dominate the entire world for the **antichrist** and his One World Govt, One World Economy, One World Religion. How many wars is the USA govt fighting right now? How many are they planning on fighting in the very near future?

I, as a Christian, care a great deal that people understand the REAL issues that are facing the entire world. I won't say "whatever" if a person chooses not to believe in Jesus because that decision is the central issue of this life. People are not going to a better place at the end of this life if they reject Jesus as their Saviour in this life. Fighting the New World Order is a very distant 2nd place to the matter of choosing to accept or reject Jesus as Saviour.

Understand this, very clearly, because Jesus said this very thing in these verses (I

John

Joh 17:1 These words spake Jesus, and lifted up his eyes to heaven, and said, Father, the hour is come; glorify thy Son, that thy Son also may glorify thee:

Joh 17:2 As thou hast given him power over all flesh, that he should give eternal life to as many as thou hast given him.

Joh 17:3 And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.

Joh 17:4 I have glorified thee on the earth: I have finished the work which thou gavest me to do.

Joh 17:5 And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was.

Joh 17:6 I have manifested thy name unto the men which thou gavest me out of the world: thine they were, and thou gavest them me; and they have kept thy word.

Joh 17:7 Now they have known that all things whatsoever thou hast given me are of thee.

Joh 17:8 For I have given unto them the words which thou gavest me; and they have received [them], and have known surely that I came out from thee, and they have believed that thou didst send me.

Joh 17:9 I pray for them: **I pray not for the world**, but for them which thou hast given me; for they are thine.

Jesus came to save the world from eternal damnation, but He knew that most people will reject Him. This is the central issue, ladies and gentlemen. Are you going to spend whatever time we have remaining, learning about Jesus by reading a King James Bible or are you going to listen to people who appear to be Christian while ignoring the central issue of our time? Everything that is happening right now was foretold thousands of years ago. The New

World Order is not new. It has its roots from the time that Satan fell to Earth 6000 years ago. Satan created all of the false religions that pre-date Christianity. Satan knew God the Father and Jesus and The Holy Spirit in Heaven and he knew what They would do to redeem the world. Satan had 4000 years to deceive the world before Jesus came as a man. Satan is still deceiving most people today.

As I have said before, don't trust me. Do your own research and prove these things for yourself. Ron Paul's promoter gets a lot of things right, but **he is dropping the ball badly** when it comes to the central issue, **which is ALL about Jesus**. There is no "whatever" when talking about REAL Christianity. This entire website **does not exist to primarily** warn people about the New World Order. This website exists to show you some of the truth about this world, including the New World Order, in order to show you the truth about Jesus Christ. **Jesus Christ is the central issue.** We are trying to show readers just how bad things really are and their need for Jesus in their lives. We realize that most people will reject Jesus as their Saviour. We wish that was not the case, but it is. Read those verses again. Jesus is **NOT** praying for the world, He is praying for His people, the people who have accepted Him as their Lord and Saviour.

As always, trust God and trust the King James Bible.
