What is REAL and
What Is Imaginary

The Rise of the Warrior Cop

By Kevin Dunn. Written and posted on March 24, 2017.

I watched the following video today and I like this man named Eran Efrati. I like what he said and I like how he said it. This man is speaking truth to power. Power **pretends** to care about the people who they **falsely** claim to represent. Many of my articles show that very thing. The satanic USA government and ALL of the state and local governments are great at pretending and they have a ever ready "news" media that willingly parrots the lies to the TV viewers.

The governments lie with willful abandon and the "news" media parrots the lies while showing the viewing audience some pictures to make the government lies appear to be true. It's a real con job from start to finish and it's designed to SELL whatever lies are being promoted in any given story. The TV news is like watching a 30 minute "infomercial", but sadly, many people think that it's real just because it's called the "News".

As an example, I wrote the article [Arizona is "Dog Training" Drivers](#) where I show you the lies about the OK City bombing after some "**driving instructor**" brought it up in a TV "news"

A New World Order Hoax called "Thrive"

story to justify brainwashing Arizona drivers. The TV "news" station was "Johnny on the spot" with a video showing Timothy McVeigh, the accused "bomber", wearing orange jail inmate attire as he was being escorted by a small army of guards and cops WHILE the "**driving instructor**" spoke about Timothy McVeigh having a gun at the time of his arrest.

What can we surmise from that? A reasonable person could say that this "news" story was **pre-fabricated** long before it aired on TV. People working at the TV station were well prepared to show us the videos of Arizona Highway Patrolmen talking to stopped motorists in different locations along streets and freeways while the "**driving instructor**" was talking in the background. That does NOT "just happen". That entire "news" segment was a fictionalized construct that was designed to SELL the story. It was ALL FAKE. It was like watching any advertisement on TV, but this particular fairy tale was labeled "news".

Anyway..... here is the video that I found very interesting. As you listen to this man, I ask you to think **American Police** as he details his experiences in the Israeli military, because I found his comments to be very much in line with what I have been sharing on this website concerning the BAD actions of the police.

"In a rare, candid conversation, Abby Martin interviews a former Israeli Army combat soldier who served as an occupier in Palestine's Hebron City."

A very similar pattern is happening in America at the hands of the police, as what Eran Efrati described as happening in Israel. I have posted a few videos that mirror that same type of behaviour.

As you noticed, the title of this article comes from **Radley Balko, the author of the book "Rise of the Warrior Cop"**. Mr. Balko deserves our attention. He is exactly correct in the things that I have heard him say. Here is a link with some other videos that feature him.

Everything that you see happening with the military and the police is planned. The ONE World Military and the ONE World Police Force requires that ALL countries do things the very same way. That is why there is JOINT TRAINING happening all around the world for the police and the military. It's happening all around us at this very moment.
